

Pixel 3a XL

Latest Field Force Manager App Version: 18.15.1

Supported Device OS: 9.0

Manufacturer	Google
Model	Pixel 3a XL
Platform	Android

Device Notes

1. Please install the **Field Force Manager** mobile app from Google Play.

Pre-Installation: Enable Location Tracking on the Phone

1. In the Home Screen, swipe up on home button and tap **Settings**.
2. In the search box enter 'Location' and tap on the location results found from the search.
3. Turn on the switch and Accept/Agree any warning that are displayed.

Install Field Force Manager from Google Play Store

1. On your mobile, open **Google Play**.
2. Search for "**Field Force Manager**" in the search box. Alternatively, you can copy and send this link to mobile: https://play.google.com/store/apps/details?id=com.xora.ffm&hl=en_IN

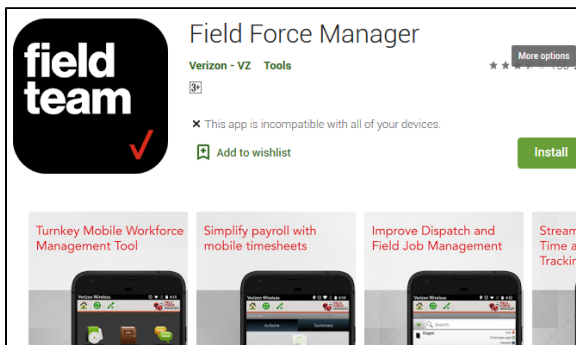

OR, if you are on mobile, then tap this icon.

Note:

Include quotes for better search results. For Example: "Field Force Manager"

3. Tap on the **Install** button to install the **Field Force Manager** application on your device.

4. Wait until the **Field Force Manager** application is installed.
5. Tap on **Open** to launch the **Field Force Manager**

Activate and Login to Field Force Manager

1. In the **Home Screen** of your Android phone, scroll up to view all the apps installed on the phone.
2. From **All Apps**, swipe left or right to find **Field Force Manager** and then tap on **Field Force Manager** icon.

3. Using the Device phone number, Field Force Manager will automatically activate and log you into the application. When prompted provide the phone number that you might have received from your Account Manager.
4. Enter the Pin and Login. You will see the End User License Agreement (**EULA**) page on your phone screen. Tap on **I Agree** to continue.
5. A **Warning** message is displayed. Tap on **I Agree** to continue.
6. A pop up is displayed with all the list of the New Updates (if any); such as New Forms, New Jobs, etc. Tap on **OK** to accept them.
7. Your Field Force Manager application is ready for use.
